Course Syllabus

Welcome to AP European History! We look forward to working with you and hope this will be a memorable and successful year. Here are some guidelines to help you succeed (they are subject to change as required):

- **Grading.** Grade breakdown:

35 %	Tests (MC, Match, Fill-in)	Grading Scale:	
40 %	Writing (SEQ, LEQ, DBQ)	90.0-100%	A
15 %	Participation	80.0-89.9%	B
10 %	Final Exam	70.0-79.9%	C
		60.0-69.9%	D
- **Tests.** Multiple-choice tests will be given every couple of chapters. You must take all tests on their scheduled date, regardless of whether you have attended the previous class. Make-up tests will be different from scheduled tests.
- **Writing.** On test days, you will write an essay that covers the same content as the multiple-choice tests. Throughout the year, you will also work on essays during class time and at home. In addition to complete essays, smaller writing assignments will periodically be given in class and to take home. All of these will establish your writing grade.
- **Participation** includes homework and your contributions in class. The following criteria will be used to determine your class participation grade:
 - **Homework.** Your homework must be complete and turned in on time. Homework mainly consists of outlines, but may occasionally include other types of work. You may turn in two outlines late per semester without any penalty.
 - **Self-improvement.** You must demonstrate self-awareness and constantly strive to be a better student, regardless of your baseline. For example, if you are not happy with your test performance you must change the way you complete outlines and the way you study in order to meet this criteria.
 - **Classroom conduct.** You must treat your classmates with kindness and respect at all times. You must participate in classroom activities in a positive and productive manner.
- **Materials.** We don't require any specific materials for this class. We recommend a three-ring binder and a folder to hold and organize all of your notes, handouts, and coursework.
- **Semester Schedule.** Attached is a semester schedule with all of your homework assignments and test dates. This will help you stay organized and keep up with the class if you are absent.
- **Make-up work.** You must turn in homework the day it is due. Each semester you may turn in two outlines late without any penalty. You have until the end of the semester to turn late outlines in. If you miss a test, please contact us through school loop as soon as you know you will be absent and we will schedule a make-up. This make-up test must be taken within a week of returning to school and might be given during class time. If you have extenuating circumstances, please discuss them with us and we will be happy to accommodate you.

- *Attendance and Tardiness.* We strictly adhere to the school guidelines on attendance and tardiness.
- *Extra Credit* does not exist, nor will it ever.
- *Behavior.* Stay on task and respect everyone else in the classroom.
- *AP Exam.* Everyone is expected to take the AP Exam in May. It costs about \$100, but we will find a way to pay the fee if your family is under any financial hardship.
- *Textbook.* Our textbook for this course is:
Western Civilization, 4th ed. by Jackson J. Spielvogel. ISBN 0-534-56835-1
 If you would like to purchase a copy of the book because you feel like that writing or marking in the book would help you, please make sure you are buying the exact book. Amazon often has them for sale, but they are quite vintage (read: very old), so be sure you use the ISBN number to make sure you buy the correct one.
- *Other sources.* We will use many other primary and secondary sources throughout the year to explore historical themes and skills. All of these will be provided to you in class or on the website.
- *Technology.* This year AP European History will have access to a class set of Chromebooks. We are excited about the educational opportunities these will provide, and expect all students to be responsible, respectful and productive while using technology.

Please remember we are always here for you. If you need help, just schedule a time with us and we will be happy to help you. Please monitor your understanding of the material, as it is best to ask for help as soon as possible, rather than settle in with a grade that makes you unhappy. Have a great year, you are going to have fun and learn a ton in here!
